COMMENTS on the VACH Seminar

"Jeffrey Armstrong provides the language skills that are needed to present the Hindu Dharma to the Western world. I highly recommend this seminar to the entire Hindu community - we will definitely benefit from Jeffrey's knowledge and extra-ordinary interpersonal and communication skills."

Shrinarayan Chandak, Bloomington, Illinois

"A fascinating seminar for understanding oneself and one's Vedic roots, building self- confidence and assertiveness and learning techniques of effectively communicating the universal principles of the Sanatan Hindu Dharma."

Abhijit Prabhakar Phadnis, Mumbai, India

"It was a breath of fresh air to hear positive things about Hinduism from a Western intellectual - a rare phenomenon, indeed! Kavindra's in-depth knowledge of the Hindu scriptures is astounding. But his art of conveying the messages therein is even more striking. A rare combination of ancient Vedic knowledge and the modern art of communicating."

Dr. Kamal N. Rauniar, UK
